[redacted] advised me yesterday that he had received your call and relayed your message to me. [redacted] is proceeding with certain security clearance arrangements in order that we may talk more effectively and intelligently with you. It is expected, therefore, that by the time you are recovered and active again it will be possible to resume discussions on an improved basis.

25X1A5A1

The primary purpose of my note to you at this time is to express my sincerest wishes for a most successful operation and speedy recovery as you enter the hospital next week.

Very sincerely yours,

25X1A5A1
